EDUCATE | MENTOR | CONNECT | CREATE

TALENT IS EVERYWHERE. ACCESS ISN'T.

AFMX provides education, mentorship and industry connections that help aspiring creators turn talent into opportunity.

FOUNDED IN 2013.

AFMX provides education, mentorship and industry connections that help aspiring creators turn talent into opportunity.

THE ARTIST IN RESIDENCE (A-I-R) PROGRAM.

The Marcus and Miriam Ray Intercultural Young Adult Filmmaking Initiative provides emerging filmmakers with FREE, professional training, mentorship and hands-on experience to develop, produce and bring their stories to life.

MORE THAN A FESTIVAL.

Today AFMX is much more than an annual film and music experience. Through educational programming, community outreach, panels and master classes, AFMX connects filmmakers, students and creatives with working professionals and real-world industry knowledge.

EXTRAORDINARY INDUSTRY ACCESS.

AFMX brings extraordinary industry access to New Mexico. Past participants have included Robert Redford, Jeff Bridges, Marisa Tomei and Giancarlo Esposito, along with accomplished producers, screenwriters and other film professionals.

WE HELP OPEN THE DOOR TO THE INDUSTRY.

Many people want to work in film but don't know where to begin. AFMX helps provide the education, experience, mentorship and relationships that can help them find their way in.

BUILDING FOR THE FUTURE.

We are expanding beyond the festival to become a year-round resource that connects New Mexico talent with education, mentorship and industry opportunity—helping strengthen our state's creative workforce and communities.

OUR DIRECTION

AFMX is helping open the doors to New Mexico's film and creative industries—and showing the next generation how to walk through them.
